

NAPOLEONISCHE GESELLSCHAFT E.V.

FREE CORPS VON LUETZOW, REINBEK 5. KING`S GERMAN LEGION / RIFLES

Hamburg, December 2016

INVITATION to GOEHRDE, 15. - 17. September 2017

Dear Friends!

We would like to invite you all again to our regular bi-annual **GOEHRDE bivouac and battle re-enactment**. We will organize this well-known event from **15.-17. September 2017** in cooperation with the regional council of Dahlenburg. There will be a historic camp on the original battlefield in the open country next to Goehrde-forest near Dahlenburg (30km south-east of Lueneburg).

The event will be organised for the second time by the new team consisting of the Luetzow Freecorps and the Rifles of the KGL 5th Line who are both part of the Napoleonische Gesellschaft e.V. (NG). We will be most glad to welcome groups from neighboring countries.

We will offer you a bivouac void of noisy disco- and beer-tents in the nice landscape of the Goehrde, directly on the unchanged historic battlefield. We are not sure, whether next year there will be the same massive supply of wild mushrooms available in the woods around the camp, as there was in 2015. However we promise you a unique trip to the past without too much modern distraction.

We will provide the usual supply of **Straw, Firewood, Water** and **Dixies** (mobile toilets). Foreign groups will be supplied an amount of black powder. Please remember that in Germany the typical Napoleonic firearms [“Single shot muzzle loading weapons, type of construction dated before 1871”] are legal without license for adults 18+.

We do plan two show-battles, one on Saturday afternoon and one on Sunday before noon. Besides there should be our free battle in the village of Lueben. A detailed schedule for the event will not be available before spring. At this event the safety regulations of the NG apply.

In order to allow us proper planning, please fill in the registration form on the next page and return it to us soonest possible. Please send us your registration by mail or e-mail before **END of APRIL**, better **RIGHT AWAY** to:
